There are those who in the realm of science fiction literature wonder if galactic empires are the new "Middle-Earth". But interstellar empires never seem to go out of style, and regardless of their practicality they remain a powerful meme. The terrorist organization Aum Shinrikyo found inspiration in the galactic empire of Isaac Asimov's *Foundation Trilogy*.

Following the end of the Second World War, the spread of communism was considered to be the #1 threat to the United States. The Soviet Union's ability to secure a nuclear weapon, coupled with the communist ideology spreading across the globe, fueled a state of fear during this time. Even in the United States, the Communist Party USA (CPUSA) was gaining traction as a legitimate political party.
