The relationship between English proficiency and humour

English, in various dialects, is the most widely spoken language of the United Kingdom, however there are a number of regional languages also spoken. There are 14 indigenous languages used across the British Isles: 5 Celtic, 3 Germanic, 3 Romance, and 3 sign languages. There are also many immigrant languages spoken in the British Isles, mainly within inner city areas; these languages are mainly ...

Languages of the United Kingdom - Wikipedia

The top ten language groups of Internet users are currently English, Chinese Mandarin, Spanish, Arabic, Portuguese, Japanese, Russian, German, French, and Malay.

Top Ten Internet Languages in The World - Internet Statistics

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this distinction, translation can begin only after the ...
