Ethnic Music Repertoire - Bialek's Music

As the study of contemporary ethnic music reveals, transnational flows as well as the development of smaller, trans-border, regional units undermine and outmode the twin logic of the Nation-State and capitalism for both symbolic and pragmatic reasons²¹. Rather than the utopian postmodernity or the nostalgic past they are said to embody, these musics suggest that modernity can be apprehended as a contemporary and immanent condition.

Contemporary "Ethnic" Popular Music: A Challenge to

music, but it must have ethnic or foreign elements. The term was first used in higher education, as music departments began teaching ethnomusicology , the study of all types of music around the world.
