"For the Man Who Has Everything" is a comic book story by writer Alan Moore and artist Dave Gibbons, first published in Superman Annual #11 (1985). It is notable for being the first appearance of the Black Mercy, an extraterrestrial, magical plant-like organism that exhibits enjoyable hallucinogenic effects on the victims to which it attaches parasitically.

Everything as a service (EaaS, XaaS, *aaS) is a concept of being able to call up re-usable, fine-grained software components across a network. It is a subset of cloud computing.The most common and successful example is software as a service (SaaS), but the term as a service has been associated and used with many core components of cloud computing including communication, infrastructure, data ...
