17 The Public Opinion Process When people make up their minds, a new public opinion develops. This new public opinion can lead to social action (an election, taking a product off the market, etc.).

Communication Models and Theories

Excellence is a talent or quality which is unusually good and so surpasses ordinary standards. It is also used as a standard of performance as measured e.g. through economic indicators. In modern public relations and marketing, "excellence" is frequently criticized as a buzzword that tries to convey a good impression often without imparting any concrete information (e.g. "center for excellence ...
