Here is a popular internet list of art therapy activities originally posted up several years ago by the Nursing School Blog, and as time has gone by over half of the links have become defunct or out of date. I have researched current links that reflect the most vibrant and inspiring art therapy directives on the internet today, while aiming to keep it as close as possible to the original list.

Cubism is an early-20th-century avant-garde art movement that revolutionized European painting and sculpture, and inspired related movements in music, literature and architecture. Cubism has been considered the most influential art movement of the 20th century. The term is broadly used in association with a wide variety of art produced in Paris (Montmartre, Montparnasse, and Puteaux) during the ...

The Development of Flutes in North America. While approaches to studying the development of flutes in Europe and Asia and in Central and South America have been largely focused on the archaeological record, there is considerable debate as to whether that approach is appropriate (or even useful) for North American flutes. In particular, the apparently sudden appearance of the Native American ...
