K J Tesar | Fiction. Rating: This first full length novel by K J Tesar relates the different interpretations of the relationship between the two main protagonists, and also those of their friends, and families. The story is narrated through each person's perspective, and we find that rarely are they in the mindset that the others believe.

Although he died when he was only 53 years old, Philip K. Dick (1928 € 1982) published 44 novels and 121 short stories during his lifetime and solidified his position as arguably the most literary of science fiction writers. His novel Ubik appears on TIME magazine€™s list of the 100 best English-language novels, and Dick is the only science fiction writer to get honored in the prestigious ...
