

food network magazine pdf

Food Network is an American pay television channel that is owned by Television Food Network, G.P., a joint venture and general partnership between Discovery, Inc. (which holds a 69% ownership stake of the network) and Tribune Media (which owns the remaining 31%). Despite this ownership structure, the channel is managed and operated as a division of Discovery Networks U.S.

Food science draws from many disciplines such as biology, chemical engineering, and biochemistry in an attempt to better understand food processes and ultimately improve food products for the general public. After the initial stages of research and development comes the mass production of food products using principles of food technology.
