

from anecdote to antidote pdf

An anecdote is a brief, revealing account of an individual person or an incident. Occasionally humorous, anecdotes differ from jokes because their primary purpose is not simply to provoke laughter but to reveal a truth more general than the brief tale itself, such as to characterize a person by delineating a specific quirk or trait, to communicate an abstract idea about a person, place, or ...

The o-ring story is just one layer to the full model, albeit possibly the most important layer. Thereâ€™re other things that matter, such as the USA being founded and still mostly run on Anglo principles (seems good for max GDP per head), the US having never been invaded, having a 100 year head start on South Korea in terms of industrialization.
