Introduction. One approach to teaching language that has attracted a lot of attention over the past twenty-five years is a task based approach to learning and teaching.

Grammar teaching: Task-based grammar teaching | Onestopenglish

Task-based learning offers the student an opportunity to do exactly this. The primary focus of classroom activity is the task and language is the instrument which the students use to complete it. The task is an activity in which students use language to achieve a specific outcome.

A serious game or applied game is a game designed for a primary purpose other than pure entertainment. The "serious" adjective is generally prepended to refer to video games used by industries like defense, education, scientific exploration, health care, emergency management, city planning, engineering, and politics. Serious games are a subgenre of serious storytelling, where storytelling is ...
