Moral Development focuses on the emergence, change, and understanding of morality from infancy through adulthood. Morality develops across a lifetime and is influenced by an individual's experiences and their behavior when faced with moral issues through different periods' physical and cognitive development.

Moral turpitude is a legal concept in the United States and some other countries that refers to "an act or behavior that gravely violates the sentiment or accepted standard of the community". This term appears in U.S. immigration law beginning in the 19th century.. The concept of "moral turpitude" might escape precise definition, but it has been described as an "act of baseness, vileness, or ...
