The Constitution of Tunisia is the supreme law of the Tunisian Republic. The constitution is the framework for the organization of the Tunisian government and for the relationship of the federal government with the governorates, citizens, and all people within Tunisia. Tunisia's first modern constitution was the Fundamental Pact of 1857. This was followed by the Constitution of 1861, which was ...

The United States Constitution is the supreme law of the United States. The Constitution, originally comprising seven articles, delineates the national frame of government. Its first three articles embody the doctrine of the separation of powers, whereby the federal government is divided into three branches: the legislative, consisting of the bicameral Congress; the executive, consisting of the ...
