Birth places. Twenty-one states claim the distinction of being the birthplace of a president. One president's birth state is in dispute; North and South Carolina (British colonies at the time) both lay claim to Andrew Jackson, who was born in 1767, in the Waxhaw region along their common border. Jackson himself considered South Carolina as his birth state.

The president is a common title for the head of state in most republics. In politics, president is a title given to leaders of republican states.. The functions exercised by a president vary according to the form of government. In parliamentary republics, they are limited to those of the head of state, and are thus largely ceremonial. In presidential and semi-presidential republics, the role of ...
