the reflexology manual an pdf

Reflexology, also known as zone therapy, is an alternative medicine involving application of pressure to the feet and hands with specific thumb, finger, and hand techniques without the use of oil or lotion. It is based on a pseudoscientific system of zones and reflex areas that purportedly reflect an image of the body on the feet and hands, with the premise that such work effects a physical ...

Reflexology - Wikipedia

The Reflexology maps are based on the concept that the ear, foot, or hand are connected to all the other parts of the body through the nervous system or "energy" system and thus become a reflection or snapshot of the entire body. Interestingly, Dr. Nogier put forth the concept that the ear can be mapped by comparing to a baby curled into the fetal position.
