For the 2010 campaign, McMillan filed petitions to appear on the Democratic primary ballot and the Rent Is Too Damn High line. However, he put very little effort into the Democratic petitions, and the vast majority of the 13,350 signatures bearing his name were collected by Randy Credico, who had partnered with McMillan for a joint Democratic petition.

In economics, economic rent is any payment to an owner or factor of production in excess of the costs needed to bring that factor into production. In classical economics, economic rent is any payment made (including imputed value) or benefit received for non-produced inputs such as location and for assets formed by creating official privilege over natural opportunities (e.g., patents).

If the landlord wants to increase the rent during your tenancy agreement (sometimes called a "lease"), they must give you a proper notice and there are some limits as to when and how much the rent can be increased. The rent cannot be increased during a fixed-term tenancy agreement unless this is specified in writing in the agreement.
