I’ve said it before and I will say it again: THIRDS Beyond the Books is a Grade A, first rate collection of awesome fan service. Charlie Cochet expanded her beloved characters from the THIRDS series at the fans’ behest, online first and then in Volume One, and it was fantastic. Volume Two is no exception.

THIRDS Beyond the Books: Volume 2 by Charlie Cochet

THIRDS: Beyond the Books is an absolute delight from start to finish. If you find yourself salivating like me as we wait for the next book in the THIRDS series, this book will definitely make you remember why we love our favorite Destructive Delta guys and make that wait maybe, MAYBE a teeny bit easier.

'THIRDS: Beyond the Books Vol. 1' gave me an opportunity to see a lot of Dex and Cael's childhood, the family they had with Tony, and gave me glimpses into a lot of firsts for the guys on their team. In this volume I got more background on the inter-relationships among the team members while at work and at play or, in Dex's case, all day long.

THIRDS Beyond the Books Volume 2 by Charlie Cochet

The aim of Beyond Thirds and The Evocative Image is to help you understand how composition and light work together so you can create moody, dramatic photos. This is what you’ll learn from the ebooks. What the rule of thirds in composition is, where it comes from and how you can move beyond it. How and when to use balance in composition.
